The County Convention shall consist of the representatives of the towns of the county. They shall meet on the second Wednesday of each biennial session of the General Court or other day in the same week, shall choose a chairman and clerk, and may adjourn as they see cause.

The county commissioners and treasurer shall furnish the auditors all the aid and information required by them in the performance of their duties.

The County Convention shall, during each biennial session of the Legislature, grant county taxes for its county for two years, but the tax for each year shall be voted separately and collected in the year for which it was voted.

The sheriff, the jailers, the physicians, the clerk of the court, the solicitor, the treasurer, the county commissioners, and the superintendent of the county farm, of each county, shall make up their report separately, to December thirty-first annually, and the same shall be printed together in pamphlet form, in the month of January following.

The reports of the several officers named shall contain a summarized account of all their transactions, which concern the county, for the current year ending aforesaid, and the report of the superintendent of the county farm shall contain, in addition, a list of the paupers actually supported at the farm, a statement of the number of weeks each was so supported, and the average cost per week for each pauper, with the explanation of the basis upon which such calculation was made.

CONCORD, N. H., January 20, 1927.

A convention of Rockingham County delegates was held in Room 100 on Thursday, January 20, at 12.30 P. M. Thirty-

two representatives were present, together with the county commissioner, Architect Dow and visitors.

The convention was called to order by Chairman Bartlett.

Representative Crosbie, of Exeter, offered the following motion:

*Voted*, That the Rockingham County Commissioners be authorized to enlarge the present County Records building at Exeter by adding thereto a fire proof construction according to plans prepared by Albert H. Dow, architect, at a cost to be not more than \$35,000 and said sum of \$35,000 is hereby appropriated for that purpose; that the County Commissioners be authorized to finance the same by the issuance of \$35,000 of bonds dated May 1, 1927, payable \$5,000 December 1, each year 1927 to 1933, inclusive, bearing interest payable semi-annually on December 1 and June 1. Other particulars as to the rate of interest, the form, issuance and sale of said bonds, not otherwise determined, shall be determined by the County Commissioners.

Further that the Judge of Probate, the Register of Deeds, the Register of Probate and the Clerk of the Superior Court be appointed to act in an advisory capacity with the County Commissioners in the construction of such enlargement.

Discussion followed. Mr. Rutter, of Derry, offered as an amendment that the words "or other architects" be inserted in the motion after the word "Dow" to give the commissioners authority to employ other architects if desirable. The amendment was voted.

The original question as amended was then called for and voted unanimously.

Voted to adjourn.

A meeting of the Rockingham County delegation, duly called and announced by the speaker, was held in Room 100 immediately after the morning session on Wednesday, March 30, 1927.

The meeting was called to order by the chairman at 12.30. A roll-call showed 35 members present.

The chairman stated the purpose of the meeting to be to consider the matter of conveying by deed a certain tract of land in rear of the County Court House to the Congregational Parish in Exeter.

Mr. Bixler, of Exeter, explained the matter. Discussion followed. The following letter was read:

*"To the County Delegation of Rockingham County:*

The county commissioners see no objection to the proposed sale to the Congregational Parish in Exeter of a small plot of ground situated at the corner of the county land behind the Court House. The plot, 9 x 7 feet only, lies in such a position that it cannot be used by the county, and if in connection with the sale we receive the right to drive in through the vacant Parish lot lying at the rear of the Court House, the county will gain rather than lose by the transaction.

(Signed) GEORGE A. CARLISLE,

(Signed) WILLIAM B. UNDERHILL,

*Commissioners."*

Exeter, March 22, 1927.

The following motion was submitted by Mr. Bixler and duly seconded:

*"Voted:* To sell and convey to the Congregational Parish in Exeter, New Hampshire, at a price to be determined by the county commissioners, a certain tract of land situate in said Exeter (being a small parcel of the Court House lot), bounded and described as follows:

Beginning at a stone post at the southwest corner of the lot, known as the Court House lot near Front Street in said Exeter, thence running northerly as the fence now stands seven feet to a point; thence at a right angle with the fence and running easterly nine feet to a point; thence running southerly parallel with the fence seven feet to a point; thence running westerly by land now of said Parish nine feet to the stone post begun at,—and that a majority of the county commissioners for the said County of Rockingham be authorized, in behalf of and in the name of said county, to sign, seal, acknowledge and deliver a good and sufficient deed of said tract of land."

Further discussion followed. An amendment was offered by Mr. Rutter, of Derry, and seconded, as follows:

Amend by inserting after the word "Commissioners" the words: "and on condition of the granting by said Parish to said county of a perpetual right of way on parish land wide enough for vehicle travel."

This amendment was voted and the original motion as amended was then put and carried with a unanimous vote.

## COMMISSIONERS' REPORT

---

In accordance with the Public Statutes of the State of New Hampshire, the commissioners of Rockingham County herewith present the annual reports of the county commissioners, clerk of the Superior Court, sheriff, solicitor, superintendent of the County Farm and House of Correction, farm physician, farm chaplain, Portsmouth jail physician, and auditors for the year ending December 31, 1927.

In reviewing the work for the past year, the commissioners find that many improvements and permanent repairs have been made to the various buildings owned by Rockingham County. At the County Farm at Brentwood, a new boiler has been installed and a new electric plant has replaced the old one, which will be the means of saving each year a considerable amount on the coal bill, although it has added somewhat to the expense of the institution this year.

The new addition to the Records Building at Exeter has been completed, for which the legislature at its last session appropriated the sum of \$35,000, but which addition was built and properly furnished at a cost of only \$30,000, leaving a balance of \$5,000, which amount was used to make the first payment of the Bond issue, taken out for that purpose. This addition will fill a long felt want, as the original building has for a long period been quite inadequate for the amount of work done there, and it is much appreciated by the clerk of the Superior Court, the register of probate and the register of deeds.

It will be noticed that the cost of Superior Court steadily increases each year, a condition which cannot be helped by the officers in charge, but is due rather to the increase in work, including the automobile accidents; the enforcing of the prohibition law, and to the new conditions of modern life. In the old days, Superior Court was one considered in terms only, namely: the January term, the April term and the October term, but now Superior Court holds session almost every month in the year.

The commissioners hereby extend their thanks to Superintendent and Mrs. Fred Rand, who, for ten years, have faithfully performed their duties as superintendent and matron of the County Farm, but who have tendered their resignations to take place on the first of April next.

Thanks are also extended to the various officers in Rockingham County; the selectmen in the various towns, and to all individuals who have in any way helped the commissioners to carry on the work for the interest of the county and its tax payers.

Respectfully submitted,

GEORGE A. CARLISLE,  
WILLIAM A. HODGDON,  
WILLIAM B. UNDERHILL,

*Rockingham County Commissioners.*

## PHYSICIANS' REPORTS

EPFING, N. H., January 2, 1928.

*To the Honorable Board of Commissioners for Rockingham County:*

The beginning of a new year calls for a report to you on the condition and care of the inmates of the several departments of the Rockingham County Institute at Brentwood and on the work done in the Hospital especially.

Last winter and again in October and November we had a general though not very severe epidemic of gripe or infectious colds.

The sanitary conditions about the place and inmates have been excellent as usual.

Four patients have been transferred to us from the county jail during the year for treatment and safe keeping. One required an operation.

As usual several have come in so near the end of life little or nothing could be done for them.

Miss Lord has continued her faithful and efficient service in charge of the nursing problem, relieving suffering when health could not be restored.

There has been little change in the helping force and much to commend.

It is with sincere regret we learn that in the near future Mr. and Mrs. Rand will retire after more than ten years of splendidly successful service as Superintendent and Matron.

We feel that their first thought during all these years has been good business economy for the County and the best and kindest care for the unfortunates intrusted to their charge.

Personally we feel under great obligation and wish for them a long, well earned rest.

Respectfully,

A. W. MITCHELL, M. D.

PORTSMOUTH, N. H., January 1, 1928.

SHERIFF CEYLON SPINNEY,  
Portsmouth Jail,

*Dear Sir.*—

The following diseases have been treated during the past year: Tonsilitis, bronchitis, rheumatic fever, conjunctivitis, cystitis, infected glands, boils, extensive burns of chest and back, paralysis fore-arm, due to buck shot injury, tumor of the eye and several other acute conditions.

My relations with the officials have been a source of pleasure to me.

The sanitary conditions of the jail are good.

Signed

H. L. TAYLOR, M. D.

## CHAPLAIN'S REPORT

BRENTWOOD, N. H., January 1, 1928.

*To the Honorable Board of County Commissioners of Rockingham County.*

*Gentlemen.*—In compliance with established custom, I herewith submit my report concerning the conditions spiritual of the inmates of the "Rockingham County Farm," for the year ending December 31, 1927.

While not what we would wish them to be, we consider them as favorable as in years past.

The Sunday services which are held every alternate week are well attended, and will, we believe, compare favorably with the churches of the county.

And this speaks well when we take into consideration that the services are purely voluntary, and also that advanced age and sickness make it impossible for many to attend who sincerely wish to do so.

Our private ministrations to the inmates during the week day periods are greatly appreciated by the same, who testify to their great helpfulness.

To Superintendent Rand and his wife I acknowledge indebtedness for their co-operation.

Respectfully submitted,

THOMAS C. BREWSTER, *Chaplain.*

Investigations, with the medical referee and sheriff, were made of various death cases. Many actions were prosecuted in the Municipal Courts. Attention has been given to complaints from all sections of the county. A large number of matters have been adjusted without court action. Advice has been given to county officers whenever desired. Special mention is hereby made of successful prosecutions relative to games of chance at carnivals and similar gatherings, and also the enforcement of the Sunday laws concerning admission fees, etc. Violations of the Prohibition Law have been vigorously prosecuted.

I again pledge my utmost endeavor to uphold, without fear or favor, each and every law!

STEWART EVERETT ROWE,

*County Solicitor.*
